"Can" you see me?

Gallatin County 4-H is working to become more visible in the local communities. A barrel project has been initiated and will result in about 50 bright blue barrels to be used during the 2008 Gallatin County Fair and other events taking place at the Fairgrounds. We are asking for your help in obtaining about 50 sponsorships from local businesses for this project. In exchange for a \$100 sponsorship the business name will be displayed on the barrel along with a declaration of support for Gallatin County 4-H. The sponsorship funds will be divided out among participants clubs and will be added to the premium money for fair. Stop by the Extension office for a Sponsorship Packet before going to get sponsors.

Fair Job List:

Each time a 4-H project or a 4-H club uses the Fairgrounds facilities, there is a charge incurred for building and equipment rentals. If your project or club has used the Fairgrounds and you would like to help pay off the bill owed to the Fairgrounds, contact the Extension office or the Fairgrounds office for a job list. If you are a 4-H member reading this sentence, YOU can call the 4-H office and have your name entered into a drawing for a prize. Each point is worth \$1.00 and will be applied to the 4-H bill. You can have items donated (paint, lumber, trees, shrubs, gravel, ...) or work various jobs for credit. When you schedule a work project, it is very important that you advise the Fairground's office staff where you want the credit applied. Stop by the 4-H office to view the job list and help pay off the 4-H bill.

T-Shirts - Help Promote 4-H at the Summer Fair

Wondering what to wear? Help promote 4-H and proudly wear your Gallatin County 4-H T-shirt. Help us promote 4-H during the Summer Fair. Wear your T-shirt during Fair and show all those attending how many people are involved with the 4-H program. Have you ordered your t-shirt yet? Here is your last chance to order before Fair. Contact the 4-H office for an order form. Orders placed by the 10th of June will be ready approximately 3 weeks later.
